1959 Horizons

Dedication

In the fall of 1930 the History Department of Holmes Junior College acquired as head a young man destined to spend there the last twenty-eight years of his teaching career. His thorough knowledge of history, his wit and humor in presenting it, and his qualities of integrity, honesty, and sincerity made him a favorite among his students. During his years in the dormitory he was a favorite also among the boys. For many years he sponsored the International Relations Club, and he always gave freely of his time and talents to serve the school wherever he was needed. To those, who knew and appreciated him, there was "only one" Mr. Billie Montague, and to him we wholeheartedly dedicate this 1959 volume of HORIZONS.

Dedication

In 1931 there was added to the faculty of Holmes Junior College a man thoroughly dedicated to the cause of education and deeply imbued with an interest in young people. He was to serve the school in various capacities: as head of the Education Department, as Dean of Men, as Director of Summer School Terms, as Registrar, and, for a short time, as Acting-President during the illness of the President. Conscientious in his teaching, and always endeavoring to bring out the student's initiative and originality, he made a lasting impression on his students. It is no uncommon thing for a former member of his classes to remark, "I remember that Mr. Everett used to say..." In grateful recognition of his value as teacher and counselor and his long and faithful service to Holmes Junior College, we take pleasure in dedicating the 1959 HORIZONS to Mr. G. J. Everett.

Alma Mater

All hail to thee, oh, Holmes J. C.,

Alma Mater, all hail!

Thy virtues holy, thy precepts true,

Graven on our hearts, shall never, never fail.

Thy children here, from year to year,

As we go from thy halls

Shall honor bring and ever sing,

Love and peace dwell in thy sacred walls!

JESSIE VAN OSDEL

All Hail to Thee,

Oh, Holmes J. C.

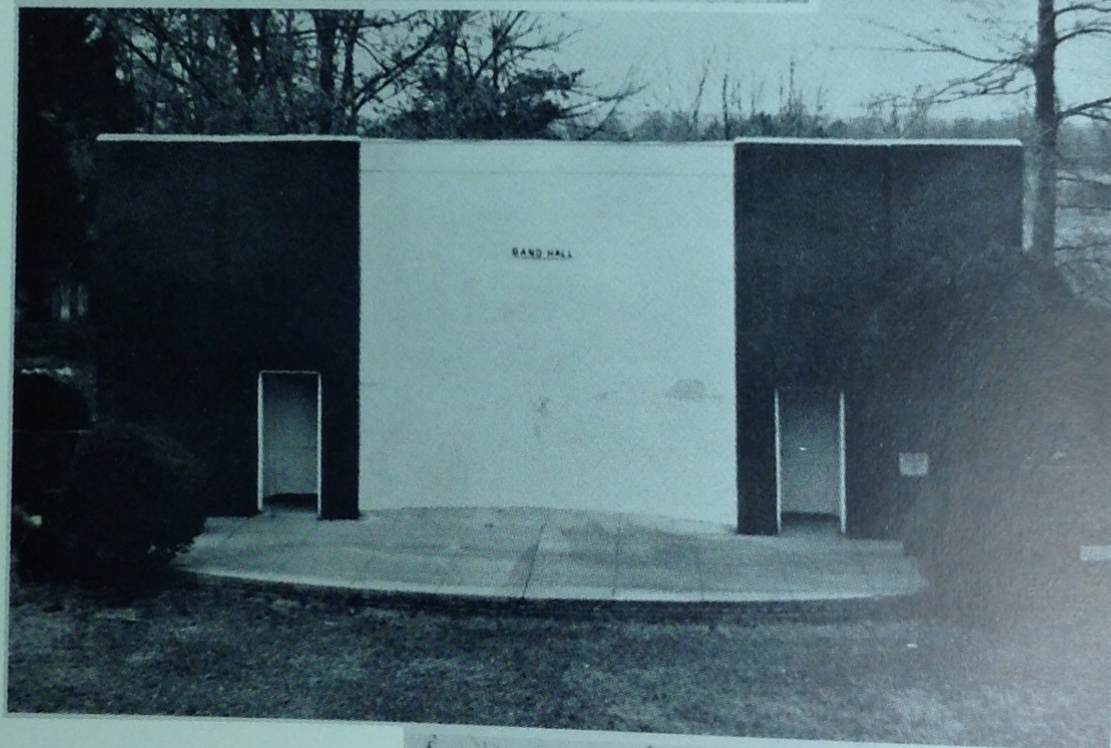

Dedication

Capable, energetic, and cooperative - these words best describe the lady who came to Holmes Junior College in 1929 as head of the Home Economics Department. In her thirty years here she has served most efficiently, not only in her chosen field but also in many other phases of school work. She has ably sponsored the freshman classes, the Home Economics Club, and the "Y." Many banquets, programs, field days and entertainments have been greatly aided by her willing assistance. She always responded to any call for service whether it was making curtains for the stage, mending torn football suits, preparing meals for groups of visitors, or, in emergencies, serving as dietitian. For her splendid work as a teacher and for her loyal devotion to the school, we are happy to dedicate to Miss Lottie Mae Peebles this 1959 edition of HORIZONS.

Working in the Concession Stand Is a Familiar Scene.

We, the Annual Staff, have been charged to present herein a brief of Holmes Junior College life of the year 1958-59. This life has not been all of dignity nor yet of sheer frivolity. Innumerable activities have caused the hours of these months to flee like magic. A faithful picture of these times together we have tried to preserve and herein present to you. If, when years have moved you from this hour, in peering back through darkening corridors of time you find these pages to illuminate and color an erstwhile clouded memory, our charge will be fulfilled.

Baptist Student Union

The Baptist Student Union is a student program promoted by the Southern Baptist Convention for Baptist students in colleges and universities, technical and professional schools. It is student-led, church-related, and Christ-centered. It serves as a tie or link between the Baptist students and the local church. It seeks to enlist and educate the Baptist student in the program of the Southern Baptist Convention. It seeks to correlate and direct the Baptist student religious activities on the college campus.

Phi Theta Kappa

On December 17, the initiation of the first Phi Theta Kappa Chapter of Holmes J. C. was held in assembly. Phi Theta which is a scholarship Fraternity, is to the Junior Colleges what Phi Beta is to senior colleges. Membership is restricted to the top ten percent in grades of the student body. All members must maintain a "B" average and must be held in good moral standing by the faculty.
